

NILE ORPHAN CARE

"Loving orphans in South Sudan through education, care, & spiritual growth with the love God has shown us in Jesus"

MARCH 2024 NEWSLETTER

"Let the children come to me; do not hinder them, for to such belongs the kingdom of God. Truly, I say to you, whoever does not receive the kingdom of God like a child shall not enter it." And He took them in His arms and blessed them, laying His hands on them. Mark 10:13-16

Dr. Lam Akol Visited NOC!

Dr. Lam Akol is a prominent politician in South Sudan.

"The Scriptures teach us how Jesus Christ loved children. He used to tell his disciples: let the children come to me. You the children are our responsibility because you are the future of this country; you are the ones who will inherit this country from the current crop of people. After 20 years you may not see us around. So, you are the ones who will continue carrying out what we have set ourselves to achieve.

I thank the Nile Orphanage Care for having listened to your cry; the cry I have just heard from your singing, and gave their time selflessly to establish this institution which we hope will grow into something that our people will be proud about.

I can't also end without thanking the people who stood with us; stood with you. Those people are not related to you, none of them has relatives among you, none of them has relatives even in the whole South Sudan. But they were moved by humanity, humanity knows no bounds, and they selflessly contributed financially and otherwise to see that this institution is built to take care of you until you reach the age when you are able to take care of yourself and of others too.

My pledge to you is simple: I will support you morally all the time and financially when I can. And I will advocate for your case and your cause in whatever forum I am part of."

Read his full speech from his February 2024 visit to NOC @ www.nileorphanare.org/post/dr-lam-akol-visited-noc.

It was a great honor to have Dr. Lam Akol come to witness what God is doing through Nile Orphan Care and your support!

EVEN MORE HAPPENING...

Check out our updated website:

www.nileorphanare.org

Follow us on facebook and instagram and never miss updates on what NOC is doing.

NOC Matters to Salem UCC VBS kids!

Salem United Church of Christ (Evansville, IN) care about God's children in South Sudan. The church has committed to featuring NOC at their VBS in June. They have also given \$1200 onsite and signed a slat that will be used in building bunk beds for the girl's dormitory in June!

Not only is this a generous gifting of their treasure, but it shows support to the children from their brothers and sisters in the United States.

Therefore encourage one another and build one another up, just as you are doing.

1 Thessalonians 5:11

Heading to NOC in June 2024 with PARTNERS IN COMPASSIONATE CARE

Our Founder, President, and volunteers with several members of our Partner - PCC, will be heading to NOC May 31st-June 8th.

Proposed Projects, Goals and Activities while serving at NOC in May:

- **Children's Ministry and Care**
- **Construction and Site Improvement**
- **Worship Services And more!**

Our main goal is to be His hands and feet and love on these children and this team. There is no project or initiative that will have a greater impact on these children greater than sharing Christ's love with them in a personal way.

Check out our immediate needs page on our website at www.nileorphancare.org or click [HERE](#).

As you keep the above in your prayers, please remember to keep John's family in your prayers as they all make great sacrifices in his absence from them to be present to the children at the orphanage. We thank God for their hearts that are so dedicated the many here and in South Sudan.

We can't wait to share how God shows up on this trip!

Please pray for the health of the children as malaria is a current problem at the orphanage.

Building Safety and Self-Reliance

Creating shelter while teaching vocational skills.

Many have been hard at work at NOC building blocks for the new dormitory! What may not be as obvious are the futures that are being created through this project. Vocational skills are being taught that will open paths for job opportunities for many to provide for their future and rebuild South Sudanese communities.

Our hope and prayer is to instill confidence through skill building. Keep a lookout for future upcoming details on vocational training opportunities for the children's futures!

YOUR MONTHLY DONATION

Your monthly gift will be allocated to the greatest need at the time of receipt. The health and nutrition of our children is always our first priority. Help us be sure not one goes hungry in 2024. Visit nileorphancare.org or click the donate button >
